ABORIGINAL COACHING MODULE (ACM)

If you work with, or supervise youth of Aboriginal heritage, this workshop is an essential resource. If you wish to understand, relate to, and apply Aboriginal cultural perspectives that will allow you to motivate, inspire, and lead those youth towards a successful and meaningful lifestyle, this workshop was designed for you.

This interactive workshop is available to both Aboriginal and mainstream organizations who have Aboriginal youth in their sport, social, or employment programs. Aboriginal Sport Circle’s trained instructors will facilitate discussions which include role playing and group activities to engage all participants. This type of interactive setting has provided a fun, fulfilling, and positive learning experience for both participants and facilitators alike.

The workshop includes unique methods and perspectives not found in mainstream coaching certification programs. It is holistic in its approach and includes teachings of the Medicine Wheel, the four gifts, as well as the values within the four pillars and many other issues that are unique to Aboriginal culture.

Participation is FREE!
